

Whenever, Wherever

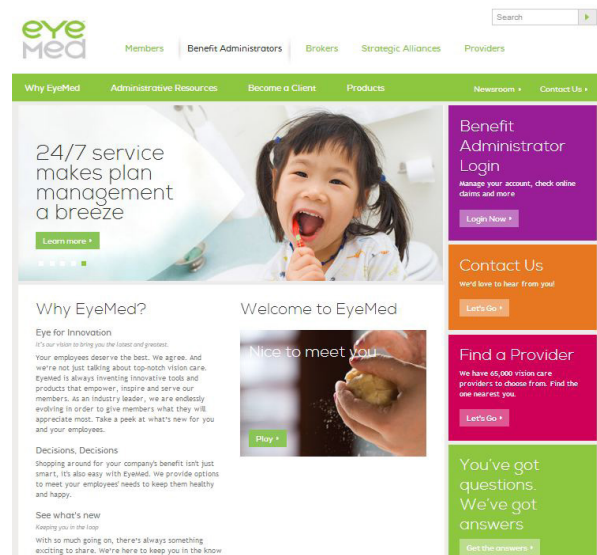

Freedom to manage your vision plan online

Benefits manager web tools

Crazy busy? No worries. You can do so much more online with EyeMed: update a plan member's status, run reports on enrollment data or help locate a nearby provider. Online freedom makes your employees happy, too.

Popular features for benefits managers:

- Manage membership and view benefits information
- Request additional ID card packets
- Add, remove or update plan members
- Download membership enrollment reports
- View past invoices
- Download forms and documents
- Find providers
- Access the client/member communication portal, EyeSightOnWellness.com

Pre-enrollment tools and information

You'll also find tons of pre-enrollment tools and information online. Visit eyemed.com and look-up answers to FAQs, use our provider locator or check out educational games about vision care.

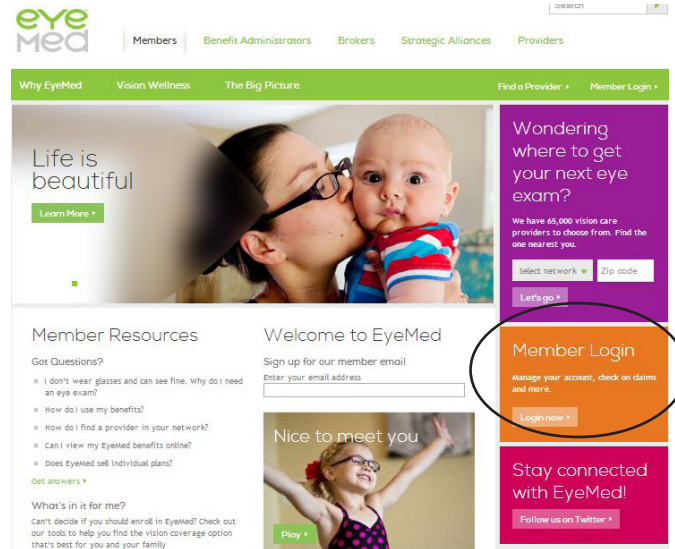

Member web tools

Modern life means juggling it all – family, fun, work and health. Our site makes it easy for members to make room in their busy lives for eye care. From home, school, the office or anywhere on their mobile phone, they can look up benefits, find providers, learn about wellness and so much more.

Popular features for members:

- View benefits, including service eligibility and next date of service
- Find providers
- Print replacement ID cards
- Download out-of-network claim form (if applicable)
- View status of claims
- Get explanation of benefits (EOB) documents by e-mail, in printable PDF format
- Get answers with FAQs and other help tools
